RIPE NETWORK COORDINATION CENTRE

Anti-Abuse Training

Update for the Working Group

Gerardo Viviers | 24 May 2023 | RIPE 86

What is the training about?

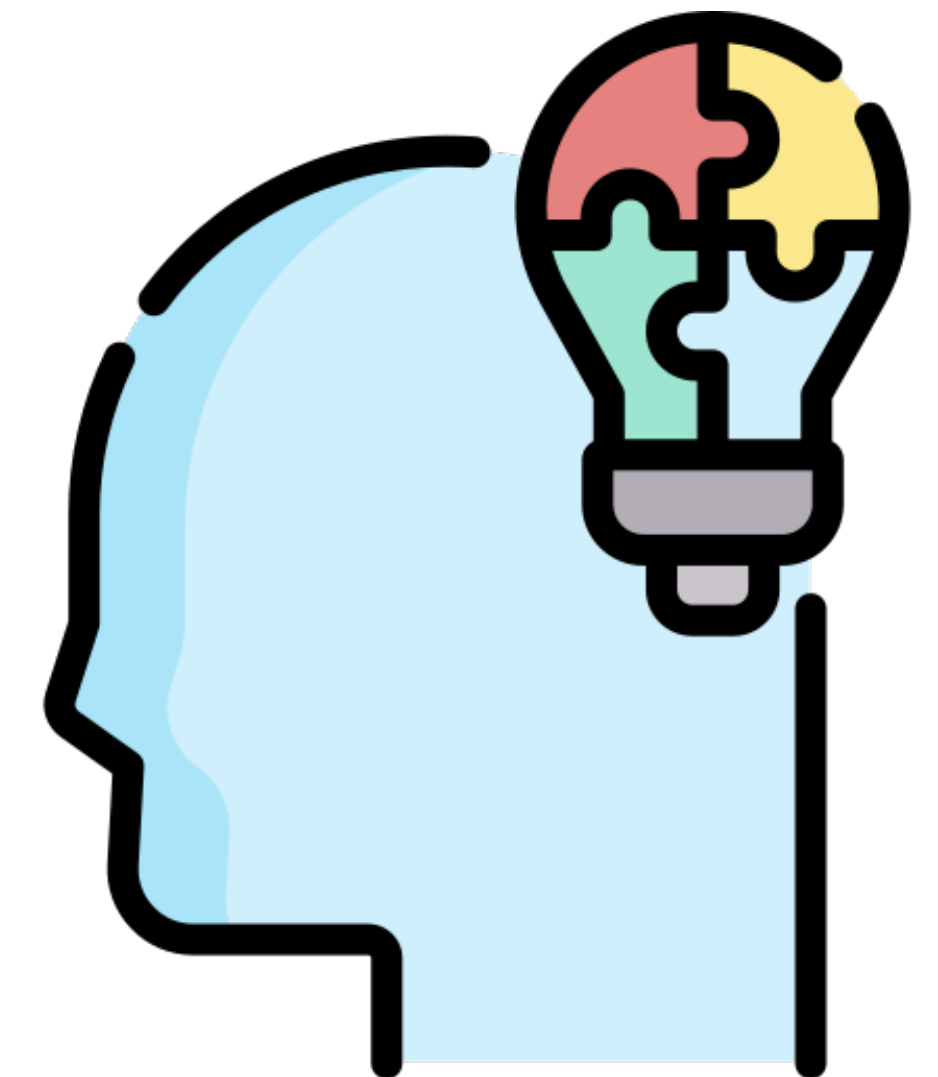

- The target audience: **New LIRs**
 - The Internet works because we all coordinate our efforts
 - Newcomers might not know what to do with abuse reports
 - Training is an effective way to provide this knowledge
 - “Old-timers” might benefit too!

What is the training about?

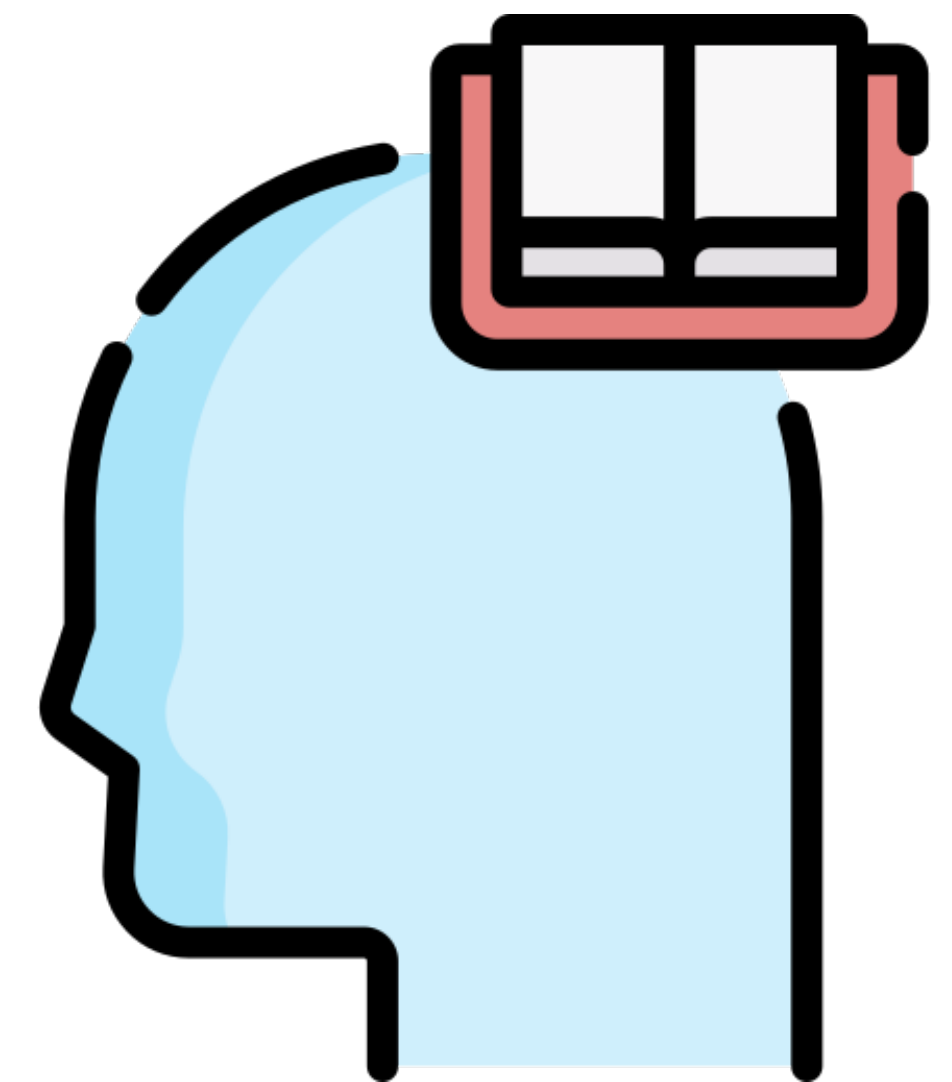

- First part: **Motivation!**
 - The challenge of defining “abuse”
 - Why dealing with abuse reports is important for everybody
 - Benefits of action and consequences of inaction

What is the training about?

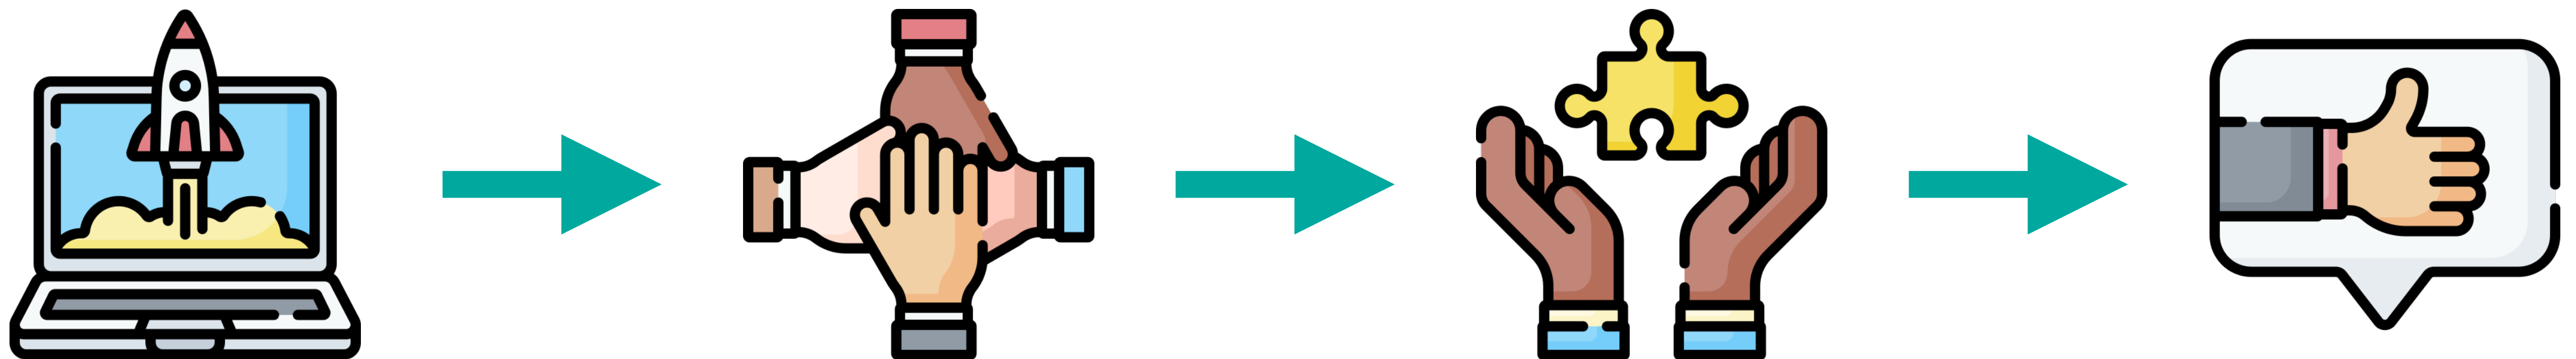

- Second part: **Instruction!**
 - What is an Abuse Desk
 - The abuse handling process
 - Setting up an Abuse Desk
 - Tools and services that help

What's happened since RIPE 85?

- The first webinar was delivered in January 2023
- Updates made to material based on feedback
- The second webinar was delivered in April 2023

Good to know...

**We received
positive feedback!**

**This gives us the
confidence to continue!**

So now... What?

- We continue delivering the webinar
- Gather feedback from participants
- Evaluate and update as we go
- We presented the training at the PLNOG 31 in Krakow, Poland
